Dear Mr. Nezirovic:

On July 21, 2014, the court received correspondence from you and a 137 page document. The court has filed these documents as a motion for leave to file a pro se supplemental brief and a proposed pro se supplemental brief.

The court has previously appointed counsel, Andrew Childress, to represent you in this habeas appeal. The formal opening brief on your behalf and joint appendix is due on August 11, 2014. Representation by counsel is very important on appeal where the record has already been determined and the arguments are legal in nature.

Your best interests would be served by having counsel submit a brief on your behalf. The court would also consider your motion to file a supplemental brief.

Sincerely,

/s/ Judith B. Henry

Counsel to the Clerk
